CONSTRUCTION / FOUNDATION

This is all subject to the program of requirements, to the soil/surface and the purpose of the shed.

- Founded on piles or sheet pile foundation;
- Steel construction and (single layered) cladding;
- Concrete foundation works;
- Bearing & reinforced concrete floor or produced pavement.

INSTALLATION

- Basic electrical;
- No illumination needed;
- Water installation;
- Compressed air system;
- Sewage and drainage (if requested).

DESCRIPTION

Damen's Sunrain awning shed offers excellent protections against heat, wind, sun/light and rain during maintenance, service and construction works. It is a relatively low investment and offers the pleasure of working in a protected environment, free from (most of) the weather influences.

The shed can be your designated solution for numerous situations and will be modified to each desired configuration or plot. Materialization choices will have to be determined in close collaboration with the customer.

OPTIONAL TOOLS AND EQUIPMENT

- Heavy lifting equipment;
- Blasting & painting equipment;
- Scaffolding;
- Tugs, Multicats and/or other workboats;
- Engine powered/electrical boom lift;
- Telehandlers/forklifts;
- Construction tools and lifting materials;
- Workshop tools & equipment;
- Workshop container (incl. tools & equipment).

ADDITIONAL OPTIONS

- Completely closed shed with (wall) cladding;
- (automatic) sliding door(s) and/or overhead doors;
- Walk trough door(s);
- Overhead (traveling) crane;
- Lighting fixtures;
- Office units;
- Full elaborated electrical installation;
- Shower units and washing facilities;
- Power units/power packs.
